ABOUT US

The Cessnock District Netball Association (CDNA) strives to provide opportunities for everyone in our community to participate in healthy, safe and inclusive netball activities in a fun and family orientated environment.

The Association is managed by dedicated volunteer staff, all of whom tirelessly provide their skills, time and assistance to ensure CDNA can offer a variety of structured programs.

The Association has worked tirelessly to reintroduce the Representative program to allow our town the privilege to be represented at STATE level again.

We are one of the only local Associations that has players representing Cessnock at a State level competition, and the only predominately female sport to do so in our area.

This would never have been possible without the support of many local businesses, of which we are truly appreciative.

**"Cessnock Rep
Netball
has a long and well
respected history
of success"**

With over 60 players, our representative program had 7 teams with players ranging in age from 12 to 25 years. Across the competition age groups of: 12s, 13s, 14s, 15s, 17s, Opens & Opens Mens

One of very few Associations to have teams competing in all age groups at the State Titles each year. We hope to grow this to include male teams!

They are supported by over 25 officials who volunteer their time to coach, manage, cater and provide first aid and sports massage to these players throughout the season.

Our representative teams are selected in September and will train throughout the 2026 preseason and into the 2027 season until State Titles in June for our Senior teams and July for our Junior teams.

Throughout the year, all teams attend carnivals which can be held all over the Hunter Region and travelling as far south as Sydney and as North as Taree.

We also host our own Representative Carnival attracting many teams from all around the Hunter Valley and beyond.

The State Titles are held in Sydney and all teams travel together to the competition held over 3 days (approx 20 games), competing against the most talented players in NSW.

For further information about the State Titles click the images below.

SPONSORSHIP PROPOSAL

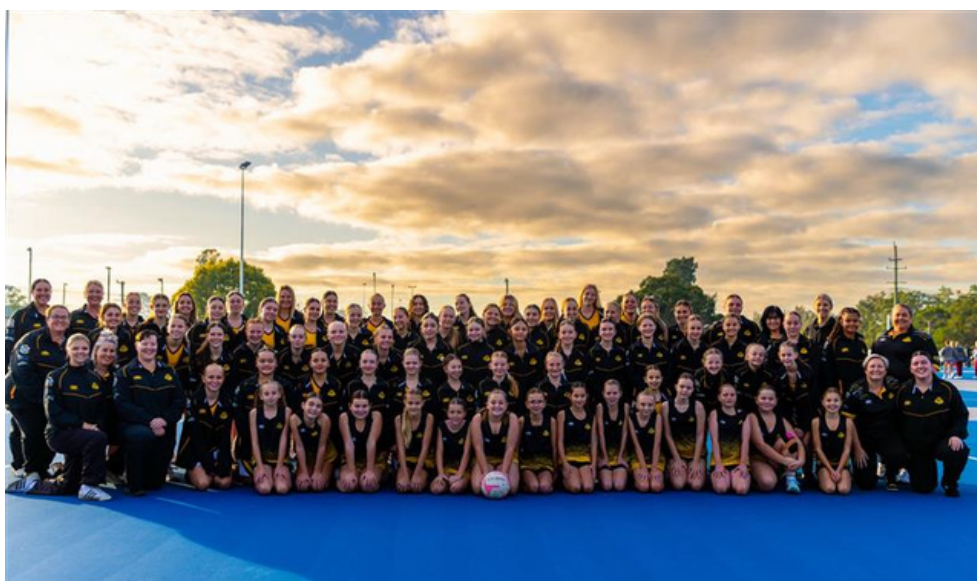

For the 2027 season, and ongoing, we are seeking your support to assist our association in this very successful and growing program.

Not only is representative netball a huge honour for each player, it is also very expensive for the players and their families. The fees for the 2027 season are upwards of \$950 per player. This is just the costs associated with participation and to purchase uniforms. It does not include shoes, travel costs for attending carnivals, officials' fees or any resources for our players including training equipment and educational programs.

"Prides itself on acting with integrity, innovation & teamwork"

We know that the high fees for the representative program make it impossible for some players to aspire to be a part of this program. We try to assist our players as much as possible, keeping fees to a minimum, but costs continue to rise for both players and the Association.

Cessnock District Netball Association understands that in the current economic climate, organisations require value for any sponsorship money. Thus the committee has put together a variety of sponsorship packages to provide local businesses and organisations a flexible opportunity to support their community.

As a sponsor of CDNA we guarantee to promote your business throughout the Association and wider community at every opportunity.

Cessnock District Netball Association and our netballers need your help!!!
